

# Transformation Durbanville

On our own we may go faster, but together we will go further.

## Our Vision

The vision of Transformation Durbanville is to advance networking of community transformation in Durbanville.

[www.durbanville.co.za](http://www.durbanville.co.za) aims to link individuals, businesses, faith-based organizations, welfare ventures, churches, local government - in fact, all parties sharing a heart for the Durbanville community.

## Welfare Assistance

**Welfare Assistance**

Due to illiteracy and lack of transport, there is a need to help people apply for old age pensions, child and disability grants. We have also been able to provide some learners with school clothes and books.

Presently, a number of initiatives focus on community upliftment in Durbanville.

Equally surprising is the fact that a number of these initiatives operate as "islands in the sea" - simply not being aware of the existence of similar initiatives - or, of the work that they do!

At [www.durbanville.co.za](http://www.durbanville.co.za) we believe that **"On our own we may go faster, but together, we will go further"**.

We pray that [www.durbanville.co.za](http://www.durbanville.co.za) will contribute towards a spirit of collaboration, partnering, unity in heart - and so experience greater release of God's blessing and favour on Durbanville.

Let us be stewards that wisely use the Kingdom resources that God has entrusted to the Durbanville community.

## Sport and Recreation

**Sport and Recreation**

A youth soccer team is being trained and matches are organised.

## School Ministry

Let us seek out opportunities to team up with others - even though they might not have the same conviction as ours - at least it is a start if we see that they have the same heartbeat for the community.

Through linking people and resources, [www.durbanville.co.za](http://www.durbanville.co.za) intends to report on the progress and impact of community Transformation Projects. In this way our community becomes more accountable.
